- Has gotten better with speaking in front of class
- The in class discussion was very helpful. I liked being able to interact and see other's perspective.
- Took me awhile to understand how this class was run and what our grade was based on.
- I believe that Dr. Kurczek is an excellent professor. His classes were always interesting due to the large group discussions that we always had. He was also always willing to answer any questions that I may have had, which greatly helped me. Overall, I am glad I took his course.
